

WHAT WE OFFER

TECHNICAL ASSISTANCE

We give updated, factual, and understandable information about the ADA law and regulations, as well as other disability rights laws.

We respond to inquiries via our hotline number (800) 949-4232 (V/TTY) (AZ, CA, HI, NV, Pacific Basin) and email adatech@adapacific.org. Also visit our website at www.adapacific.org for more information.

TRAININGS

Our ADA trainings can be custom designed to meet your needs, from basic to advanced levels. We cover an array of topics from employment, to accessibility of public buildings, to understanding concepts of Section 508 of the Rehabilitation Act. We can deliver training in a variety of formats, including in-person, webinars, etc.

WEBINARS

We offer webinars on a variety of topics, including general ADA, emergency preparedness, and accessible information and communication technology. All of our webinars are real-time captioned for those who are deaf or hard-of-hearing, accessible to screen readers for persons who are blind or with vision disabilities, and accessible to those with mobility/dexterity impairments who use a keyboard instead of a mouse.

MATERIALS

We provide electronic materials from all federal agencies regarding the ADA. Paper materials and alternate formats are also available by request.

CONFERENCES

We coordinate and conduct regional ADA conferences, workshops, and updates.

- **Building accessibility**
- **Accessible path of travel**
- **Accessible information and communication technology**
- **Emergency preparedness**

ABOUT US

The Pacific ADA Center provides information, training, guidance, and materials on the Americans with Disabilities Act (ADA).

OUR MISSION

The purpose of the Pacific ADA Center is to build a partnership between the disability community and the general public by enhancing understanding of the ADA.

WHAT WE DO

We provide up-to-date ADA information, including its amendments and regulations related to employment; state and local government; public accommodations (private entities); telecommunications; and transportation. We also provide information on the relationship of the ADA to other disability laws.

Our staff is continuously trained by federal agencies such as the Department of Justice (DOJ), the Equal Employment Opportunity Commission (EEOC), and the Access Board.

We provide updated and understandable answers to your questions, as well as updated materials, when you call our toll-free hotline - (800) 949-4232 (V/TTY) (AZ, CA, HI, NV, Pacific Basin). You can also reach us at 510-285-5600 (V/TTY).
